Keep | Toss | Sell

It’s okay to **KEEP** the items that you just aren't ready to part with yet. **Toss** the items that are too well-loved (stains, missing pieces, or are not working).

SELL the items that meet these 4 C's:

**Clean**
The newer it looks, the better it sells. Check carefully for stains and holes in clothing. Clean all clothing and non-clothing items thoroughly.

**Current**
Sell warm weather clothing and shoes at our Spring/Summer sale. Sell cold weather items at our Fall/Winter sale. Shoppers love current styles that are in fashion.

**Complete**
Be sure all parts & pieces are present before you tag items. Shoppers want to open their items when they get home and find everything in working order.

**Compliant**
Important Safety Guidelines apply to car seats, cribs, infant equipment & toys. All of the Recalls & Safety Standards are listed at **jbfsale.com** for you to check each of your items before you sell.

**Safety Waivers Required** for all Cribs & Car Seats

### Bundle Items to Save Time

As you are thinking about prices, consider creating sets or bundles. Put an outfit together, or a set of same-size onesies. Bundle 6 pair of socks together, or several superhero figures. Shoppers love it, and you only have to create one JBF tag!
**Where to Create Your Tags**
Now that your items are inspected and bundled, it's time to log in to your JBF Profile and enter your tag data.

1. Go to [www.jbfsale.com](http://www.jbfsale.com)
2. Login
3. Click on TAGGING

**Creating Tags**
- Include brand, colors, number of pieces included
- You choose the price
- Choose the category that fits best (leave blank if you can't decide)
- Indicate size for clothing and shoes
- A check mark here will allow your item to sell at 50% off on Half Price Day
- A check mark here will allow your item to be donated if unsold
- This feature is if you have more than one of the exact same item and want to create several tags at once

**TIP! Talk-to-Text**
If you are entering tags on your mobile device, use talk-to-text to go even faster.

**Print Your Tags**
Print tags on 8.5"x11" white cardstock. Tags print 9 per page.

CLOTHING

Hanging & Tagging Clothing
Put most clothing on a hanger. Bundle onesies, socks, infant mittens & hats, as well as accessories in clear self-sealing bags. Attach JBF tag with safety pin or tagging gun.

Hanger Direction
Be sure the hanger hook opens to the left, like a question mark. Attach JBF tag to front of item.

Creating Outfits
It's okay to bundle items into sets. Secure pieces to hanger using safety pins and then zip-tie hangers tightly together so outfit remains together as a set.

Tagging Gun
If you use a tagging gun to attach JBF tags, only puncture the garment tag or an inside seam so that you do not damage the fabric.

Bundling in Bags
Multiple onesies—that are all the same size—can be folded neatly and placed in a bag. Use a tagging gun fastener or a safety pin to connect all onesies together. Attach tag directly to the set (not to the bag). Do not tape bag closed, so shopper can inspect items closely.

Accessories
Use clear bags to bundle sets of socks, hair accessories, infant mittens and hats. Display neatly so shopper can see well. Place JBF tag inside and tape bag closed.

Hats
Simply attach JBF tag to hats using a safety pin or tagging gun. No need to use a bag.

Hanging Multiple Items on a Hanger
Multiple items—that are all the same size—can be hung on a single hanger. Use a safety pin or tagging gun fastener (through a sturdy waistline) to attach pants/skirts to hangers.
